

# How to Find E-Books in the Kean University Library

Electronic Books (e-books) are electronic versions of print books. Many of the Library's e-books are available through the Kean Catalog, which enables you to search by key words, title, author, or subject.

## To find e-books:

- Go to the Library's home page (<http://library.kean.edu>).
- Click *Books, E-books, Videos & More* to access the *Kean Catalog*.
- Select *Electronic Resource* from the *Limit Your Search* drop-down menu.
- Type appropriate key words in the *Find This* search box.
- Select the appropriate search category from the *Find Result in* drop-down menu.
- Click *Search*.
- Scroll down to view the search results list.
- Click the title you wish to view.
- Click the hyperlink next to the words *Linked Resource* to access the e-book. **Please note:** Access to e-books from off campus and, in some cases, from on campus requires that you identify yourself as a Kean user by logging in with your Kean Google e-mail username and password.

**Note:** If you need help finding e-books, please contact a librarian for assistance.
